10. In all matters of dispute regarding rates, measurements, quality of work, in case of poor progress and in all disputes of any kind, the decision of the Superintendent, Way and Works, Mysore State Railway, Mysore, will be final and legally binding.

11. The contractor will make his own arrangements for payments of Toll-gate charges or Royalty, if any. The Executive Engineer will have nothing to do in the matter.

12. The work should be carried out as per Railway Specifications, copy of which may be seen in the Office of the undersigned on all working days between 11 A.M. and 5 P.M.

13. The contractor will supply at his cost all materials and labour required to set out the work.

14. The gravel to be spread, should be of the best quality approved by the Executive Engineer. Laterite rock powder obtained from blasting may also be used.

15. Gravel or laterite rock powder available from the spoils in cuttings will be permitted to be used. Where the required quality is not available, the contractor should quarry and cart the stuff from the nearest place to be shown by the Executive Engineer.

16. The gravel should be neatly laid to a breadth of 8 feet and formed into correct section and level to be marked out during execution. Such portions of the work as are unsatisfactory in the opinion of the Executive Engineer will be redone departmentally at the cost of the contractor.

SCHEDULE.

Description of work	Per	Rate	Approximate quantity

Abstract Notification.

Attention of the public is invited to the Notification dated 30th October 1939, calling for tenders for the supply of ration articles, etc., to the Sub-Jail, Shimoga, for the calendar year 1940, published in the *Mysore Gazette*, dated 9th November 1939, Part VI in pages 2266-2268.

G. N. PUTTANNA,
Superintendent.

CHITALDRUG DISTRICT.

DAVANGERE TALUK LOCK-UP.

Notification No. J. 2. 1944—39-40, dated 11th November 1939.

1. Notice is hereby given that sealed tenders in triplicate on half sheet foolscap sized paper will be received at the Office of the Davangere Taluk Lock-up by the Lock-up Officer at 9 A.M. on Friday the 15th day of December 1939 for the supply of articles of diet, etc., as noted below required for the use of the said Lock-up from 1st January to 31st December 1940, both days inclusive.

2. No tenders will be received after the date and hour abovementioned.

3. Tenders to be superscribed "Tender for the supply of provisions to the Davangere Taluk Lock-up."

4. No tender will be received unless accompanied by a deposit of Rs. 50 in cash, currency notes or Government bonds.

5. Tenders will be opened by the Lock-up Officer on the date noted above in the presence of such tenderers as may choose to attend.

6. The deposit of successful tenderer will be retained and will be forfeited to Government if he fails to execute the necessary agreement within three days from the date of his receiving intimation of the acceptance of his tender.

7. No advance of cash will be made to the contractor. Payments for the articles supplied in each month will be made as soon as possible after the 10th of the following month on his producing the necessary bills with vouchers, before the 5th.

8. All the articles should be supplied at the Lock-up premises by the tenderer at 7 A.M. daily. All the articles should be of accepted quality and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality. In case of failure for replacement, articles will be purchased by the lock-up authorities from outside and the cost debited to the contractor.

9. The contractor will be bound on occasions of emergency to supply any other article or articles that are not mentioned in the list noted below at the prevailing market rates and at short notice.

10. The contract must not be sublet.

11. The contract will be subject to the confirmation by the Deputy Commissioner who reserves to himself the right of rejecting all or any of the tenders. In case the contractor ceases to abide by the contract at any time during the currency thereof, the security shall be forfeited to Government and the contractor will also be bound to make good to Government any loss which may arise from such cessation.

12. The contractor must be prepared to pay the transit charges of prisoners, etc., which will be paid at the time of payment of his monthly bill.

13. The tender must be accompanied with samples of non-perishable articles put in suitable white bottles sealed and labelled.

14. The rate of each item must be specified in figures as well as in words and they must be for the particular kind or brand of articles as noted in the list given below. The value of each item must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to the rule will be rejected.
